

The Arts & Crafts Club is comprised of 16 different groups. Your annual dues entitle you to participate in any or all of the groups. No experience is necessary, though some groups require special training to introduce you to their specific craft.

Please see our website to learn more and find contact information for the Club or for a specific Group.

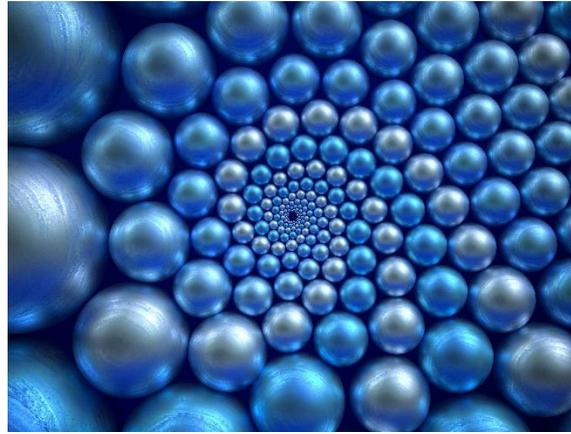

Annual dues are \$25.00

Adult Coloring Group uses pencils, pens, crayons, pastels or any mixed media to color the pre-printed designs in books.

Bead Weaving Group uses beads, stones, wire, fireline and needles to create jewelry and other projects. No experience is necessary as both beginner and advanced classes are offered.

Card Making (Beginner) Group* introduces the basic supplies and techniques used in making a handmade greeting card. You will be shown a variety of papers, stamps, inks, pens, pencils, embellishments, and equipment used in this craft. No prior experience is needed.

Card Making (Morning) Group* members create unique greeting cards using a variety of papers, stamps, pens, pencils, and embellishments. Each month, one of our members volunteers to teach a new project or technique.

Card Making (Afternoon) Group* members create unique greeting cards using a variety of papers, stamps, pens, pencils, and embellishments. Each month, one of our members volunteers to teach a new project or technique.

**There are three different Card Making Groups to accommodate all skill levels. Come to the session that you think matches your current skill level and speak to the Group Leader. A list of basic tools and supplies can be provided.*

Colored Pencil Group develops creativity working with colored pencil drawings. Beginners are welcome and encouraged.

EZ Make and Take Group encourages members of the Arts & Crafts Club to participate in a demonstration of a decorative activity. Projects are completed in a two-hour session.

Fused Glass Group creates art objects by melting pieces of glass together in a kiln. Glass can be molded to a desired form, such as a bowl or vase; jewelry and art pieces are also popular with members. No prior experience is needed, instruction is required.

Knit & Crochet Group works yarn of any fiber into a fabric and finished useful item using a pair of knitting needles or a single crochet hook. Projects are individual and varied.

Mosaics Group creates images with an assemblage of small pieces of colored glass, stone or other materials. It is a technique of decorative art or interior decoration. Basically, you can use any material to cover any surface. No experience is needed.

Needle Crafts Group welcomes new members year-round. In addition to needlepoint, our members enjoy embroidery, counted cross-stitch and other types of needlework.

Polymer Clay Group creates colorful jewelry, figurines, and other items from a special type of polymer-based clay. Paints, inks, and powders can also be used to add another dimension to your creations. No prior experience is needed.

Scrapbooking & More Group encourages the crafts of scrapbooking (memory keeping) using both traditional (hand) and digital (computer) methods. The Group also encourages paper crafting skills such as card-making and dimensional paper objects. No experience is needed.

Stained Glass Group creates stained glass art by cutting out the individual pieces of glass from a pattern, smoothing out the rough edges of the cut glass and foiling the pieces together before soldering. The Group has tools available for use by members and an introductory class will familiarize you with the tools and techniques used in the process.

Tuesday Painters Group members work in all media, including oils, acrylics and watercolor. No prior experience is required. If you are completely new to painting, we can offer advice and support.

Wood Carving Group members share an interest in the traditional art of working wood with hand carving tools. Our members range in experience from semi-professional to those just getting

started. No prior experience is needed, instruction is available.
